Reference: Residual Inventory Contract

STAT

Gentlemen:

Recently submitted a list of residual materials on the above referenced contract. A recent reply to that list indicated your desire to transfer this material to Contract

STAT

wishes to take exception to this request, and asks that consideration be given to determining the disposition of the materials at this time.

For reasons of storage complications and deterioration of some of these supplies, we are most desirous that these materials not be further transferred to contract number

STAT

In response to your request, included is a copy of Residual Inventory Form DD 543 showing those items on which has made an offer.

STAT

Your consideration of this request is appreciated.

Very truly yours,

Administration Manager
